Hack-AI-thon OpenAI API Key Use Agreement

Before being granted access to the OpenAI API key for the Hack-AI-thon, you must read and agree to the following terms and conditions:

1. Purpose & Scope

You are being granted access to an OpenAI API key solely for participation in the Hack-AI-thon (the “Purpose”). The key is provided for academic, educational, and research activities during the event only. No rights or privileges beyond the event’s scope are granted.

2. Usage Restrictions

a. **Event-Only Use:** You shall use the API key exclusively for the Hack-AI-thon. Use for any other purpose or project is strictly prohibited.

b. **Data Input Requirements:** You agree not to submit any sensitive, proprietary, or non-public information through the API. All data input must be publicly available or non-sensitive.

c. **Output and Sharing:** Any output, code, or analysis generated using the API key during the Hack-AI-thon may be shared as part of the event deliverables.

3. Security & Confidentiality

a. **Safeguarding the API Key:** You are responsible for keeping the API key confidential and must not distribute, share, or expose it to unauthorized persons.

b. **Reporting Misuse:** Immediately notify the Hack-AI-thon organizers of any accidental or intentional misuse, loss, or compromise of the API key.

4. Post-Event Requirements

Upon the conclusion of the Hack-AI-thon, or upon request by the organizers, you agree to cease use of the API key.

5. Liability and Indemnification

You acknowledge that any misuse of the API key or violation of this agreement may result in immediate revocation of your access and potential further action by the organizers.

By signing below, you acknowledge that you have read, understood, and agree to be bound by the terms of this Data Use Agreement for the Hack-AI-thon OpenAI API key usage.
